

Quail Lake

Environmental Charter School

4087 N. Quail Lake Drive, Clovis, CA 93619 (559) 524-6720

Kim Labosky, Principal

June 3, 2016

Dear upcoming 7th and 8th grade students and parents,

As middle school teachers, we are looking forward to the 2016-2017 school year and getting to know each and every one of you. We are committed to ensuring the success of all Quail Lake families and look forward to a great year of growth as we prepare our students for high school.

The 7th and 8th grade teaching staff for the 2016-2017 year will be as follows:

Ms. Groft: 7th grade Language Arts and Social Studies

Mrs. Loflin: 7th and 8th grade Science

Mrs. Bushell: 8th grade Language Arts and Social Studies

Ms. Russo: 7th and 8th grade Math

Back-to-School Night will take place Tuesday, August 16th from 5:15-7:00. After Mrs. Labosky's welcoming speech at Back-to-School Night in the MPR, the middle school staff will conduct a joint presentation during the 1st session. Sixth grade staff and parents will join us for a brief period to cover important information pertaining to all middle school students. For the second session, we will each move out to our own rooms for individual questions. This way, you will be able to meet all of the 7th and 8th grade teachers during the 1st session, while the 2nd session may be used to ask us questions and/or attend another teacher's presentation.

Included you will find a recommended school supply list, so your student may start the year fully prepared for success. If you have any questions, please don't hesitate to ask. We look forward to seeing you and your family at Back to School Night where we will share with you our plans for an incredible year.

Sincerely,

Middle School Staff

Math/Science Notebook Bundle

Under our contract with Office Depot, we are able to purchase high-quality notebooks for a special price. These notebooks are the larger 9 x 11 size that make taping in worksheets much easier...and they are only \$2/3 each this year. While these items are not required, we encourage you to take advantage of the bundles.

\$ 3.00 - Science Notebook

\$ 2.00 - Math Notebook

\$ 5.00 - Total Cost
